Dear xxxx

## **CHALAMAIN GAP – REDACTED INTERNAL INQUIRY REPORT**

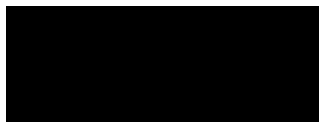

Please find enclosed the redacted **sportscotland** Internal Inquiry Report into the Chalamain Gap fatal avalanche incident.

As previously mentioned in my communications, it is our intention to share this report with key partners such as you. The avalanche that day remains a major incident within the history of UK mountaineering and we believe it is now time to share our report to ensure that our key partners within the sector can contribute to the conversation and indeed any potential observations and/or lessons learnt. To this end, we recently had confirmation from the Procurator Fiscal's Office and Health and Safety Executive that the sharing of our report will not influence or hinder any Fatal Accident Inquiry (FAI) inquiry.

The report is being shared in a redacted form to ensure compliance with the Data Protection Act 1998 whilst still allowing you to understand the events and narrative.

Please feel free to get in touch directly with me with any questions regarding this report and the consequent actions of Glenmore Lodge.

Kind Regards
