# PHASE 3 GUIDANCE FOR CLUBS AND COACHES

These guidelines are for **basketballscotland** Affiliated Clubs and Coaches wishing to deliver coaching small group, outdoor coaching sessions during Phase 3 of the Scottish Government COVID-19 Route Map Through and Out of the Crisis.

## 1. INTRODUCTION

**basketballscotland** have developed these guidelines for Phase 3 to support clubs and coaches to deliver basketball in a way that is aligned to the Scottish Government's advice and helps prevent the spread of COVID-19.

The document provides guidance for activity and a checklist that should be completed before each and every session.

In line with the Scottish Government's latest announcements, the advice is now different for Adults (aged 18 and over), Youths (aged 12-17) and Children (aged 11 and under).

The guidance focuses on using outdoor court spaces to provide small group activities.

Outdoor courts across the country are not all the same and assessing whether safe exercise can be provided depends on a range of factors, which apply differently at each venue/location. It is the responsibility of each venue, club, coach and participant to assess risks based on their local environment.

Clubs and participants should be aware that not all courts will be able to open immediately following guidance changes.

These guidelines should be read in conjunction with any updated Scottish Government guidance on health, physical distancing and hygiene. Clubs, coaches and participants should be aware of and be ready to adapt to changes in guidance at short notice. Information on Scottish Government's approach to managing COVID-19 is available at [Scottish Government: Coronavirus in Scotland Guidance](#)

People who are shielding should not visit venues or undertake activities. Further information is available at [Scottish Government: COVID-19 Shielding support & contacts](#).

People who are symptomatic should self-isolate for 7 days and household members for 14 days as per NHS guidance. No one who is self-isolating should attend an outdoor sports facility/activity.

**IMPORTANT: Do not leave your home to undertake exercise or outdoor activity if Scottish Government advice means you should stay at home because you or someone you live with has or has had symptoms of COVID-19, or you are in the most vulnerable category and have been advised to shield from the coronavirus.**

## 2. CORE GUIDANCE FOR CLUB SESSIONS:

Applicable from Monday 13 July 2020

- 1. No indoor activity:** No indoor activity is permitted.
- 2. Outdoor Court Access:** Where possible, access to courts should be confirmed in advance of any activity. Not all court will be open and others will be busy with general use. Coaches should not ask recreational participants to leave courts in order to deliver sessions.
- 3. Participant Numbers:** The maximum size of 15 people from a maximum of 5 households including the coach(es) - should be adhered to, unless coaching children in line with sections 4 and 5 below. However, available space should be considered and smaller numbers may be more appropriate.
- 4. Coaching other Households:** Coaches should adhere to the guidance of having contact with a maximum of 4 other households per day, unless coaching children in line with sections 4 and 5 below. This will limit the number of sessions a coach can deliver in one day.
- 5. Cleaning of Equipment:** Cleaning should be undertaken before and after each session and during regular breaks in the session. Cleaning of any shared equipment, particularly basketballs, should be undertaken in line with "cleaning guidance for clubs" available here in section 9, below.
- 6. Risk Assessment:** Risk assessments should be carried out and documented for all activities and facilities. Consider safety first, particularly minimising the risk of infection/transmission and following Scottish Government guidance regarding health, hygiene, and physical distancing. A risk assessment template is included in the resources below. Coaches should risk assess and plan appropriately for the session in advance, be aware of responsibilities and be clear on expectations with participants. They should also build in a review period to reflect on effectiveness and safety of the session.
- 7. Keep a Register:** A register of participants should be kept for each session for Test and Protect purposes, this should include phone contact details for each participant.
- 8. Player Screening:** The player self-screening form should be provided to all participants in advance of the session. Any player showing symptoms should not be allowed to attend.
- 9. Hand Hygiene:** All participants should use hand sanitiser before and after sessions and during any breaks. Coaches should make hand sanitizers or wipes available for use before, during and after a session where possible. Hand sanitiser should be at least 60% alcohol based and detergent wipes are appropriate for the surface they are being used on. Cleaning products should conform to EN14476 standard or any detergent is followed by chlorine releasing agent.
- 10. Sneeze and Cough Hygiene:** If they need to sneeze or cough, they should do so into a tissue or upper sleeve. Dispose of your tissue into an appropriate bin or place in a plastic bag and take home. Wash your hands afterwards for 20 seconds. Avoid touching your face and ensure to clean your hands with at least 60% alcohol gel when you finish participating.
- 11. First Aid:** Coaches should hold an up to date first aid qualification. Coaches should ensure access to first aid and emergency equipment is maintained. As there is no access to indoor facilities allowed, consideration should be made to house first aid equipment externally.
- 12. Toilets Access:** Access to any public toilets is likely to be limited. Where toilets are available, please follow any guidance provided by the Local Authority.

**13. Safeguarding:** Coaches should be mindful of their clubs safeguarding policies when leading any activity, particularly with small groups.

**14. Spectators:** Spectating should generally be discouraged. Where attendance of a parent or guardian (non-participant) is required for safeguarding reasons, it should be limited to one per participant where possible, with physical distancing strictly observed while watching the sessions

**15. Communication:** Communicate with members/participants clearly and regularly, making them aware in advance of the measures you are putting in place at your venue, and guidelines they are asked to follow.

**16. Payment:** Any payments required for sessions should be online and cash payments should be avoided.

### 3. GUIDANCE FOR ADULTS (18 and over)

**1. Maintain Physical Distancing:** 2m physical distancing should be maintained at all times.

**2. Small Group Activity Only:** Coaching is permitted outdoors with physical distancing maintained, and is with members of your household and/or members of up to four other households (the coaches household is included within these considerations). There should be no more than 15 people in a group and physical distancing must be maintained at all times.

**3. Pre and Post Session Meeting:** Appropriate steps should be taken in order to ensure physical distancing before and after sessions. Staggering arrival times should be considered.

**4. No shared equipment:** Participants should use their own personal equipment and basketball and ensure appropriate hygiene rules are adhered to. Other participant's equipment should not be touched.

**5. No contact basketball:** All forms of contact basketball should be avoided in order to maintain physical distancing.

### 4. GUIDANCE FOR YOUTH (12 – 17)

**1. Physical Distancing:** An exception to the physical distancing between youths is allowed during sessions. However, physical distancing between adults (coaches) and youths should be maintained at all times.

**2. Pre and Post Session Meeting:** appropriate steps should be taken in order to ensure physical distancing before and after sessions. Staggering arrival times should be considered

**3. Shared Equipment:** Use of non-essential shared equipment (e.g. cones, agility ladders) should be avoided. Shared basketballs should be cleaned before, during and after each session in line with the guidance available in section 9.

**4. Coaching other Households:** When coaching organised sessions for Youth players which meet the above guidelines, more than 4 households are permitted to attend sessions and coaches may deliver multiple sessions within this age group.

## 5. GUIDANCE FOR CHILDREN (11 and under)

**1. Physical Distancing:** Physical distancing is not required between children. Care should be taken to ensure physical distancing can be maintained between any adults attending sessions with children.

**2. Shared Equipment:** Use of non-essential shared equipment (e.g. cones, agility ladders) should be avoided. Shared equipment should be cleaned before, during and after each session in line with the guidance available in section 9.

**3. Coaching other Households:** When coaching organised sessions for children under 11 which meet the above guidelines, children from more than 4 households are permitted to attend sessions and coaches may deliver multiple sessions within this age group.

# 9. SHARED EQUIPMENT CLEANING GUIDANCE

This guidance is only for sessions with children (11 and younger) and young people (aged 12 - 17). If you are 18 or older there is no sharing of any equipment.

## 1. Use of Shared Equipment

- We recommend a basketball is the only equipment that should be shared at this point. Additional training resources (e.g. cones, ladders, bibs) should not be used.
- Individuals should use their own ball for as much of the session as possible. Sharing of equipment should be limited as much as possible. If you can avoid sharing a ball please continue to use your own ball
- Individuals should bring their own water-bottles. These should not be shared in any circumstances.
- Clubs should provide hand-sanitiser at all sessions, but individuals should also be encouraged to bring and use their own where possible

## 2. Basketball Cleaning Station:

- Clubs should set up a cleaning station at any session they are delivering.
- Cleaning station should include:
  - Disposable gloves
  - Spray bottle of disinfectant solution (conforming to EN14476 standards).
  - Kitchen roll of similar
  - A bin or bag for disposing of gloves/wipes
- One person should be designated as responsible for cleaning shared basketballs before and after each use.

## 3. Cleaning frequency

- Shared equipment should be cleaned before and after every session.
- If you are sharing equipment for significant parts of sessions, the equipment should be cleaned during regular breaks in participation.
- At times when equipment is cleaned, all participants should also sanitise their hands

## 4. Cleaning Process

- Disposable gloves should be worn while cleaning
- The ball should be sprayed thoroughly to ensure all surfaces are covered
- The ball should be wiped down thoroughly with disposable wipes, ensuring all surfaces are wiped
- All cleaning equipment should be taken from the court and safely disposed of
- Gloves should be removed and disposed of.
- Hand sanitiser should be used by the individual who has completed the cleaning process

## 5. Participants

- All participants should use hand sanitiser immediately before and after using shared equipment
