1. Participant Sessions are the 'visits' pupils have made to activities. These figures do not represent the distinct pupils, and should only be taken as indicative of participation.

2. Distinct participants are pupils who have attended at least one session of Active Schools supported activity across the selected year/term (whether this was in a single or multiple school activity).

3. Activities are recorded in ASMO as 'Activity Session Blocks' which describe a group who meet to take part in an activity.

4. The Average Activity Sessions/Block figure shows the average length of a block (i.e. how many weeks did the average block run for?)

5. Distinct Deliverers are deliverers who have delivered at least one session of Active Schools supported activity across the selected year/term.

6. Deliverer Sessions are the 'visits' deliverers have made to activities. These figures do not represent the distinct deliverers, and should only be taken as indicative of delivery. Distinct deliverer information is only available at the local authority level.
